HOW TO COMPUTE YOUR INTEREST CHARGE

The *INTEREST CHARGE* is computed by multiplying the unpaid balance by the periodic rate and multiplying the result by the number of days since the last payment, except when advances are added to the loan, the *INTEREST CHARGE* is computed on the balance from the date of the last payment to the date of the additional loan, then on the total outstanding balance to the date of payment at the periodic rate.

IMPORTANT INFORMATION ABOUT CREDIT REPORTING:

We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

IN CASE OF ERRORS OR INQUIRIES ABOUT YOUR STATEMENT OF LOAN ACCOUNT(S)

If you think your statement is wrong, or if you need more information about a transaction on your statement, write us on a separate sheet of paper at the address shown on the statement as soon as possible. We must hear from you no later than 60 days after we sent you the first statement on which the error or problem appeared. You can telephone us, but doing so will not preserve your right.
 In your letter, give us the following information:

- (1) Your name and account number.
- (2) The dollar amount of the suspected error.
- (3) Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are unsure about.

You do not have to pay any amount in question while we are investigating, but you are still obligated to pay the parts of your outstanding balance that are not in question. While we investigate your question, we cannot report you as delinquent or take any action to collect the amount you question.

SPECIAL RULES FOR CREDIT CARD PURCHASES
 If you have a problem with the quality of goods or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may not have to pay the remaining amount due on the goods or services. You have this protection only when the purchase price was more than \$50 and the purchase was made in your home state or within 100 miles of your mailing address.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Write us at the address shown on the front of this statement as soon as you can if you think your statement or an automated teller machine receipt is wrong or if you need more information about a receipt or transfer on the accompanying statement, We must hear from you no later than 60 days after you receive the first statement on which the error or problem appeared.

- (1) Tell us your name and account number.
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

We will investigate your complaint and will promptly, usually within 10 "business days", correct the error or send you a written explanation of our reasons for believing no error occurred. If we take more than 10 "business days" to do one of these things, we will recredit your account for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation.
